REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance.

The prior art does not teach or suggest at least an image projector system comprising a slide retaining unit disposed between a cold light source and a projection lens, said slide retaining unit being adapted to retain removably a projector slide between said cold light source and said projection lens when said image projector system is operated in a slide projection mode, and a liquid crystal module including a liquid crystal panel retained removably on said slide retaining unit between said cold light source and said projection lens to permit operation of said image projector system in a liquid crystal projection mode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Dalakis whose telephone number is 703.305.4021. The examiner can normally be reached on Monday-Thursday. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Russ Adams can be reached on 703-308-2847. The fax phone number for the organization where this application or proceeding is assigned is 703.872.9318. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 703.872.9317.
